Advisory

PKF member firms play a central role in supporting our clients in evaluating and executing transactions to support their strategic ambitions.

Whether you are a buyer, supplier or an investor in a transaction, PKF Hellas offers a comprehensive range of services to support you through the process and give you the best chance of success.

We prepare your business plans to support you with corporate finance advice, due diligence, valuations and post-deal integration. Using insights drawn from our international experience, augmented by industry knowledge and local expertise, we are committed to supporting you at every stage of a corporate finance deal process.

We undertake mergers and acquisitions (M&A) on both the buy and sell sides of a variety of transaction types, including, but not limited to, divestitures, spin-offs, majority or minority sales to Private Equity for growth financing and general succession planning. PKF member firms regularly engage in discussions with a wide range of buyers and sellers, including private, institutional and global organizations, as well as private equity firms and family offices.

We conduct due diligence reviews whether it is a major restructuring event or a potential transaction involving a capital raise, sale or purchase, our due diligence approach can help clarify what drives profit (Earnings Quality) and, ultimately, cash flow in a business.

In brief, the projects we undertake are:

- Financial analyses of companies
- Acquisitions, mergers, business splits
- Business valuations
- IT electronic financial information application projects
- Business planning of companies and groups
- Support in participating in public tenders and in financing projects
- Preparation and submission of financial studies for investment and subsidized programs

- Preparation of business plans (Business Plan) and Viability Studies

Business Solutions

Whether you are looking for support in a specific area, such as payroll, or want to create better management accounts or forecasts, PKF Hellas has a business solution for you.

PKF Hellas understands that not every business has the resources available to perform all the functions of business and accounting management. We can provide you with an outsourced service, including bookkeeping, management reporting, payroll processing, budgeting and forecasting, and additional on-site support as required.

We also know how important it is to have peace of mind that everything is kept up to date and under control. Good quality record keeping can ensure that you are up to date on your business, helping you to effectively manage cash flow and control your commitments.

Timely management information is a key part of ensuring that you are able to run your business effectively. By examining performance against relevant indicators and budgets, we can provide you with the tools you need to support decision-making.

PKF Hellas can provide outsourcing solutions in the following areas:

- Accounting support
- Payroll monitoring
- Internal auditor services
- Personnel training
